OBJECTIVE

Motivated Frontend Developer with a strong foundation in building responsive and performant applications using **React.js**, **Next.js**, and **React Native**. Proficient in modern UI frameworks like **Tailwind CSS** and **Material UI**, with experience in robust state management, API integration, and form validation. Passionate about clean code, performance optimization, and delivering scalable, user-centric digital solutions.

INTERNSHIPS

• Front-End & Cross-Platform Mobile Development (React.js, Next.js, React Native)

Information Technology Institute (ITI)

Cairo, Egypt

Feb 2025 – Jul 2025

- Completed a practical program in modern front-end development with React.js & industry standards.
- Specialized in **React.js** & **Next.js** for developing high-performance, responsive single-page applications with advanced rendering techniques.
- Built consistent UIs with **Tailwind CSS** & **Material UI** using utility-first & component-based styles.
- Developed cross-platform mobile apps using **React Native** & styled them efficiently with **NativeWind**.
- Integrated **Firebase** services for authentication, real-time data storage, and cloud functionality to enable full-stack capabilities.
- Applied best practices for code structure, reusability & performance optimization in web & mobile apps.

• Front-End Development (React.js, Next.js)

Route Academy

Cairo, Egypt

Feb 2024 – Sep 2024

- Gained foundational proficiency in modern web development by building real-world projects in a collaborative environment.
- Mastered responsive UI development using **Tailwind CSS**, **Material UI**, and **Bootstrap**, focusing on component reuse and consistency.
- Built scalable and interactive applications with **React.js** and **Next.js**, leveraging routing, dynamic rendering, and server-side capabilities.
- Practiced effective global and local state management using **Context API** and **Redux Toolkit**.
- Consumed and managed API data efficiently using **Axios** and **React Query**.
- Applied structured form handling and schema-based validation with **Formik**, **Yup**, & **React Hook Form**.

EXPERIENCE

• Front-End Developer (Full-Time, Remote)

WTM LLC

Amman, Jordan

Aug 2025 – Present

- Developed and maintained responsive web and mobile interfaces using modern front-end technologies.
- Managed tasks, tracked progress, and collaborated with team members using JIRA to ensure timely delivery of features.
- Worked closely with designers and back-end developers to implement new features and optimize user experience across platforms.
- Optimized web and mobile application performance by implementing efficient code, following best practices, and enhancing overall user experience.

• **IT Support (Part-Time, Remote)**

Dagher Intellectual Property Firm

Cairo, Egypt
Aug 2022 – Present

- Delivered remote IT support including diagnosing and resolving software and hardware issues, and configuring systems for internal use.
- Maintained internal tools and platforms; supported cross-departmental teams with technical assistance and routine system upkeep.

EDUCATION

• **B.Sc. in Electrical Engineering**

Faculty of Engineering, Cairo University

Cairo, Egypt
Sep 2017 – Jul 2022

- **Cumulative Grade:** Very Good with Honors (80.28%)
- **Graduation Project:** Electrical Service Design for High-Rise Hotel | **Grade:** Excellent

PROJECTS

• **Real Estate Platform**

Tools: HTML, CSS, JavaScript, React.js, Material-UI, Context API, Formik, Yup, Axios, etc.

[Live Demo](#)
[Github Repo](#)

- Built a responsive property listing platform with 30+ mock properties, tailored for Egyptian users.
- Reduced property search time by 50% using dynamic filtering and debounced input controls.
- Developed a full-featured admin dashboard with 100% CRUD operations and real-time updates.
- Implemented lazy loading for images and routes, reducing initial page load time by 40%.

• **E-Commerce Platform**

Tools: HTML, CSS, JavaScript, React.js, Tailwind CSS, Formik, Yup, Axios, etc.

[Live Demo](#)
[Github Repo](#)

- Developed a responsive online shopping platform with 30+ listed products and full user authentication.
- Integrated product listing, wishlist, cart functionality, and secure checkout flow across 5+ key routes.
- Designed a clean, mobile-first UI using React and Tailwind CSS for enhanced accessibility.

SKILLS

• **Technical Skills:**

C , HTML5 , CSS , JavaScript , TypeScript , jQuery , Bootstrap , Tailwind CSS , Material UI , React.js , Next.js , React Native , Flutter , Dart , Node.js Fundamentals , Version Control (Git) , Unit Testing , UI/UX Design , Responsive Web Design , Database Basics , Object Oriented Programming (OOP) , Firebase, OS Fundamentals , Network Fundamentals , Google Analytics , Power Automate.

• **Soft Skills:**

Problem Solving, Communication, Teamwork and Collaboration, Adaptability, Attention to Detail, Time Management, Continuous Learning and Self-Improvement

CERTIFICATIONS

• **Front-End & Cross-Platform Mobile Development**

Information Technology Institute (ITI)

Cairo, Egypt
2025

• **Front-End Development**

Route Academy

Cairo, Egypt
2024

ADDITIONAL INFORMATION

- **Birthdate:** 10 Feb 2000
- **Nationality:** Egyptian
- **Languages:** Arabic (Native level), English (Proficiency level), German (Intermediate level)
- **Military Status:** Completed
